

News Release

April 23, 2019

FISCO Ltd. (JASDAQ Code 3807)

Fisco Cryptocurrency Exchange — Resumption of Spot Trading Services for MonaCoin (MONA) in the Zaif Business (Disclosure of Progress)—

FISCO Co., Ltd. hereby announces that the Group company Fisco Cryptocurrency Exchange Inc. (hereafter “FCCE”) have resumed spot trading for MonaCoin (MONA), a previously suspended service, in its cryptocurrency exchange business Zaif on April 23, 2019.

Upcoming Schedule

We will make an announcement regarding the resumption of basic buying, selling, deposit, and withdrawal of MONA once the details have been confirmed. However, customers will still be unable to use the following services, as their resumption periods have not yet been decided. We sincerely apologize for any inconvenience this may cause.

New account registration

Coin reserves (new accounts, withdrawals, purchases)

Counterpart token deposits and withdrawals

Affiliate programs

Zaif Payment

Going forward, the FISCO Group intends to develop and offer cryptocurrency services that ensure greater organizational and systematic stability.
